BUG-001

ENHANCEMENT-001

11:44

68

Done thecoast-creator.github.io

Should reflect the right way for displaying used storage and how much storage is left

Your Projects

Understanding_Di...

1 design

Should display how much of total internal storage is left

Should display Actual Total Space Occupied by Saved Records

Storage

Used: 81.7 KB

Available: 38.4 GB

Illustrative storage values and images for project previews not actual measurements

11:28
